relationship with Ivan Illich's book "Deschooling Society" (and several other of his works). At the same time, and maybe for that reason, it is also one of the most read books in my collection. Before explaining my ambivalence, a brief summary of the book is due: The first two chapters attempt to outline the problem (s).

Ivan Illich, who died in 2002, wrote this ground-breaking book in 1971. In the modern world at large I suspect his message has not been heeded at all - at least not on any visible, national-level scale. In the UK at the moment far from de-schooling we are seeing an extraordinary increase in the schooling of society.
